#### Annexure C

#### CSL Infomedia 'S ANTI-PIRACY REQUIREMENTS

#### ANTI-PIRACY TERMS FOR THE DAS OPERATOR PROVIDING PLATFORM FOR BROADCASTING SERVICES IN INDIA

In order to prevent theft, piracy, unauthorized retransmissions, redistribution or exhibition, copying or duplication of any Channel, in whole or in part, (hereinafter collectively referred to as "Piracy"), the multi system operator shall, prior to the commencement of the Term of the agreement and at all times during such Term, employ, maintain, and enforce fully effective conditional access delivery and content protection and security systems, and related physical security and operational procedures (hereinafter collectively referred to as the "Security Systems") as may be specified (security specifications), in a nondiscriminatory manner in writing, from time to time, by the CSL Infomedia.

To ensure the multi system operator's ongoing compliance with the security requirements set out in the Agreement, CSL Infomedia may require technical audits ("Technical Audit(s)") conducted by an independent security technology auditor ("Technical Auditor"), approved by CSL Infomedia in writing no more than twice per year during the Term, at CSL Infomedia's cost and expense. If the results of any Technical Audit are not found to be satisfactory by either the multi system operator or CSL Infomedia, then CSL Infomedia shall work with the multi system operator in resolving this issue in the next fourteen (14) business days. If a solution is not reached at by then, CSL Infomedia may, in its sole discretion, suspend the multi system operator's right to distribute the Channels or take other actions as provided under the Agreement, until such systems, procedures and security measures have been corrected to CSL Infomedia's satisfaction multi system operator shall bear the cost and expense of any subsequent Technical Audit to verify that the systems, procedures and security measures have been corrected by the multi system operator to CSL Infomedia's satisfaction. Multi system operator shall deploy finger printing mechanisms to detect any piracy, violation of

copyright and unauthorized viewing of the Channels, distributed / transmitted through its Platform at least every 10 minutes on 24 x 7 x 365(6) basis. Multi system operator shall not authorize, cause or suffer any portion of any of the Channels to be recorded, duplicated, cablecast, exhibited or otherwise used for any purpose other than for distribution by multi system operator at the time the Channels are made available. If multi system operator becomes aware that any unauthorized third party is recording, duplicating, cable casting, exhibiting or otherwise using any or all of the Channels for any other purpose ,multi system operator shall within ten minutes of so becoming aware of such recording, duplicating, cable casting, exhibiting or otherwise using any or all of the Channels for any other purpose, notify CSL Infomedia and the multi system operator shall also switch off the concerned Set Top Box to prevent such unauthorized use. However, use of a Set Top Box with Personal Video Recorder/ Digital Video Recorder facility which has been supplied by the multi system operator shall not be treated as unauthorized use, as long as such Set Top Box is used in accordance with the terms and conditions of the subscription agreement between the multi system operator and the subscriber.

If so instructed by Information (as defined below) by CSL Infomedia, the multi system operator shall shut off or deauthorize the transmission to any unauthorized subscriber/ subscriber indulging in piracy, within ten minutes from the time it receives such instruction from CSL Infomedia. Any communication under this clause shall be considered as valid Information only if (i) the information is sent through email in a format as mutually agreed by the parties and (ii) the information is sent by a person(s) who is designated to send such information. However the “information” may even be provided by CSL Infomedia representatives through other means of communications such as telephonic message, fax etc and the said “information” shall later be confirmed by CSL Infomedia through e mail and the multi system operator shall be under obligation to act upon such information.
